Dear Ms. Dortch:

On Friday, July 22, 2011, Kathleen Q. Abernathy, Chief Legal Officer and Executive Vice President, Regulatory and Government Affairs, Frontier Communications; Ken Mason, Vice President of Government and Regulatory Affairs, Frontier Communications; and I met with Commissioner Michael J. Copps and Margaret McCarthy, Policy Advisor, Wireline, to Commissioner Copps.

In discussing Frontier's progress one year after the close of its acquisition of former Verizon properties, Frontier discussed the important role that Universal Service Fund and inter-carrier compensation revenues have played in its broadband deployments to date. Frontier distributed the attached presentation.

Please feel free to contact me with any further questions.

Sincerely,

/s/
